All funds have EUR Hedged share class available. Source: AXA Investment Managers (AXA IM), as of 31/05/2022 Data is unaudited and sourced from front office portfolio management systems.

1 Net performance in Fund Currency of the provided ISIN share class. *m-1:Previous month. **The nominal yield figure includes the inflation indexation based on the IMF forecasts. Yield and duration calculations include cash held within the portfolio, use the next-call method for all Financials in the portfolio and duration/yield-to-worst for all other holdings. *** Source: Fund KIID – Calculated using historical performance data and may not be a reliable indicator of the Sub-Funds future risk profile. It is not guaranteed and may shift over time.

Data is unaudited and sourced from front office portfolio management systems. Please note that the yield calculations are based on the portfolio of assets and may NOT be representative of what clients invested in the fund may receive as a distribution yield. Yield figures quoted are not guaranteed and will change in the future. The descriptions above represent our strategy and approach only objectives as per the prospectus. The figures provided relate to previous months or years and past performance is not a reliable indicator as to future performance. Returns may also increase or decrease as a result of currency fluctuations

Disclaimer

Not for Retail distribution: This document is intended exclusively for Professional, Institutional, Qualified or Wholesale Investors / Clients only, as defined by applicable local laws and regulation. Circulation must be restricted accordingly.

This document is for informational purposes only and does not constitute investment research or financial analysis relating to transactions in financial instruments as per MIF Directive (2014/65/EU), nor does it constitute on the part of AXA Investment Managers or its affiliated companies an offer to buy or sell any investments, products or services, and should not be considered as solicitation or investment, legal or tax advice, a recommendation for an investment strategy or a personalized recommendation to buy or sell securities.

Before making an investment, investors should read the relevant Prospectus and the Key Investor Information Document / scheme documents, which provide full product details including investment charges and risks. The information contained herein is not a substitute for those documents or for professional external advice.

The products or strategies discussed in this document may not be registered nor available in your jurisdiction. Please check the countries of registration with the asset manager, or on the web site <https://www.axa-im.com/en/registration-map>, where a fund registration map is available. In particular units of the funds may not be offered, sold or delivered to U.S. Persons within the meaning of Regulation S of the U.S. Securities Act of 1933. The tax treatment relating to the holding, acquisition or disposal of shares or units in the fund depends on each investor's tax status or treatment and may be subject to change. Any potential investor is strongly encouraged to seek advice from its own tax advisors.

AXA WF Euro Aggregate Short Duration, AXA WF Euro Credit Short Duration, AXA WF US Credit Short Duration High Yield, AXA WF China Short Duration, AXA WF Asian Short Duration Bonds, AXA WF Asian High Yield Bonds, AXA WF Global Inflation Short Duration, AXA WF Global Short Duration Bonds and AXA WF Emerging Markets Short Duration are sub-fund(s) of AXA World Funds. AXA WORLD FUNDS 's registered office is 49, avenue J.F Kennedy L-1885 Luxembourg. Past performance is not a guide to current or future performance, and any performance or return data displayed does not take into account commissions and costs incurred when issuing or redeeming units. References to league tables and awards are not an indicator of future performance or places in league tables or awards. The value of investments, and the income from them, can fall as well as rise and investors may not get back the amount originally invested. Exchange-rate fluctuations may also affect the value of their investment. Due to this and the initial charge that is usually made, an investment is not usually suitable as a short term holding.

Editor : AXA INVESTMENT MANAGERS PARIS, a company incorporated under the laws of France, having its registered office located at Tour Majunga, 6, place de la Pyramide, 92800 Puteaux registered with the Nanterre Trade and Companies Register under number 353 534 506, a Portfolio Management Company, holder of AMF approval no. GP 92-08, issued on 7 April 1992
